## 2020 ANNUAL REPORT

# FROM FR. KINGSLEY

It's unbelievable that **DMIWOO is already 10 years old!** As we celebrate this milestone anniversary, we also recognize the Lord 's many blessings upon our efforts in Obike. We've accomplished so much but, we can do so much more with your help.

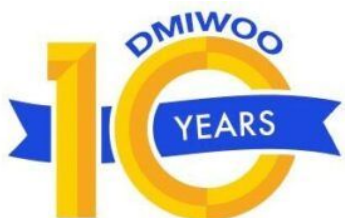

We've provided our widows and orphans with clean water, skills training, educational scholarships, housing repairs, monthly stipends, pandemic food relief and even the reality of a medical care facility. So much has been accomplished.

The Medical Clinic building project that began in 2017 is scheduled for completion in 2021!

We're now thinking about how to expand our reach to more widows, orphans and even the entire community.

2021 has so many prospects. Keep giving!

God Bless,  
Fr. Kingsley
